Library News

Welcome to Liberty Hill Elementary School

I am looking forward to fun year of learning and literacy. Students will go to the library once a week for a story/lesson and be able to check out books which are due a week later. If a student has not finished reading a chapter book s/he may renew the book loan.

My favorite quote: "The more you read, the more things you will know. The more that you know, the more places you'll go." – by Dr. Seuss

Library Book Care

Students will bring home library books in a purple plastic bag. This is only for library books. The purpose is to help identify library books from personal books that belong at home. It is also to help keep the books clean and from becoming damaged from a drink, snack, or possibly a special rock from the playground that may be in their backpack. Please keep library books out of reach of pets and young children that could damage them. Students are to return their books to school in the same purple bag each week. Unfortunately, sometimes a book becomes lost or damaged. If this happens a student will not be able to check out a new book from the library until payment is made for it.
