

## First Grade Spelling Words Unit 5

When a short vowel is followed by a single consonant sound (l), (f), (z) or (s) in a one syllable word, the l, f, z, and s is doubled. We call this the Floss Rule.

1. mill
2. off
3. well
4. jazz

High frequency "red" words are spelled in unexpected ways. These are common words we need to learn, but which are rule breakers! (This word should be spelled y-e-s-s as other Floss Rule words are spelled.)
