

First Grade Spelling Words Unit 8

This week's list focuses on the "H brothers" ch, sh, th, and wh. There are 26 letters in the alphabet. It's just not enough to account for 44 different sounds. Sure, the vowels each have at least two sounds, but the consonants have a few tricks, too.

1. chin
2. thick
3. shop
4. shell
5. check
6. such
7. whip

"Red" words are spelled in an unexpected way.

8. what
9. they
